

## **Becoming an Election Inspector**

The Town of Waterford is always looking for dedicated residents who would like to work at the polls on election days. This is a paid position which can entail some very long hours but is also very rewarding and interesting. The only qualification is that you are a "qualified" voter who resides in Racine County and be willing to attend occasional training. For more information please call the Town Clerk at 262-534-2350.
