8. NEW BUSINESS:
 - (a) Town Board Chairperson's Report

PUBLIC COMMENTS- *Please be advised per State Statute Section 19.84(2), information will be received from the public. It will be the policy of the Town that citizens be pre-registered to present comments or suggestions to the Town Board. Registration forms will be available at the meeting and must be turned in to the Town Clerk prior to the start of the meeting. Pre-registered Citizens will be called by name by the Town Chair and are subject to a three-minute time period, per person, with time extensions granted at the Town Board's discretion. Be further advised that there may be limited discussion on the information received; however, no action will be taken under public comments.*

FORTH COMING EVENTS-

“Requests from persons with disabilities who need to participate in this meeting or hearing should be made to the Town Chairperson Office at 534-1871 with as much notice as possible”

**TOWN BOARD MEETING FOR WATERFORD
415 N. MILWAUKEE ST.
UNAPPROVED/UNOFFICIAL MINUTES FOR FEBRUARY 12, 2024**

1. Town Board meeting was called to order at 5:30 PM by Chair Nicolai. Present: Supervisors Ulander, Schwartz, Gauerke, and Szeklinski. Also present: Attorney Dubis, Lieutenant William Jeschke, Officer Schweitzer, and residents of the Town.
2. Chair Nicolai led the Pledge of Allegiance.
3. Supervisor Ulander motioned to dispense of the agenda as written and to move the Explore Waterford up on the agenda, seconded by Supervisor Schwartz. Vote taken: 5-0. Motion carried. Aubrey McGanghy introduced herself to the board. Gave a brief description of what Explore Waterford has to offer. They are currently putting together a fundraiser for March 1st. If residents have any questions, please visit explorewaterford.com.
4. Printed Minutes: **Clerk Mayer needed clarification on the motion made last month by Supervisor Szeklinski in regards to the boat purchase. Mayer asked if Szeklinski meant boat roll-over account. Supervisor Ulander motioned to reconsider, seconded by Supervisor Szeklinski. Vote taken: 5-0. Motion carried. Supervisor Szeklinski made a new motion to proceed with the boat with the trade-in, cost out of boat roll-over account and any extra out of police capital, seconded by Supervisor Gauerke. Vote taken: 4-1 (Schwartz). Motion carried. Officer Schweitzer noted that they will not be purchasing a new radio at this time, total cost to be approx. \$51,354.00, may be less as some items were on sale. Supervisor Schwartz motioned to approve the Special Town Board meeting minutes dated January 8th and January 17th, 2024 as presented, seconded by Supervisor Gauerke. Vote taken: 5-0. Motion carried.**
5. Treasurer Report/Payment of Claims- Chair Nicolai read the Treasurer's report. **Supervisor Szeklinski motioned to approve the Treasurer's report and pay the claims as presented to include the additional payables presented to the board, seconded by Supervisor Gauerke. Supervisor Schwartz abstained from voting on the invoice for Preferred Marine as the owner is a family member. Vote taken: 5-0. Motion carried.**
6. Correspondence:
7. Committee Reports:
 - a) Police Dept. Report- Lt. Jeschke reported 179 actual calls for January. New drug box has been installed. Last one rusted out but the new one is stainless steel and thanked the DPW for installing it.
 - b) Tichigan Vol. Fire Co- Chandler Schoen reported 33 calls. CPR class at 5:00 pm on February 14, 2024. Will have a joint CPR class with Rochester tentatively set for March 12th at River City Lanes. Still requesting ARPA funds for the extraction tools.
 - c) Waterford Fire & Rescue- None
 - d) WWMD- None
 - e) Park Dept.- None
 - f) Road Dept.- Ken Hinz was unable to attend the meeting so Supervisor Gauerke gave the report. Still getting bids for the salt shed. Looking at purchasing a new mower. Gauerke handed out the estimates to the board members. Still waiting on the grant for E. Main St.
 - Discussion & possible action re: DPW policy and safety manual- Chair noted that she will be meeting with the DPW as well as Supervisor Gauerke on February 14th to discuss. Hope to have something for the March Town Board meeting.
 - g) Town Planning Recommendations- February meeting was cancelled.

8. Old Business:

Town Board Minutes- February 12, 2024

- a) Discussion & possible action re: WSD #1 Commissioners Compensation- Supervisor Gauerke took the gavel as Chair Nicolai recused herself as there is a conflict of interest. Gauerke noted that the WSD will be embarking on a 6 million upgrade project that will take approx. 2-3 yrs. to complete. Dan Dickinson, Sanitary President will be the project manager. Currently commissioners earn \$300/month. Commissioners are looking for an increase to \$600/month and that the President make an additional \$300/month during the system upgrade. Gauerke indicated that this will be a very intensive project. Szeklinski stated he didn't have an issue with the compensation but that he did not feel that the Town should "give up" the ability to act upon the compensation. Supervisor Ulander stated that may be the Town doesn't need to review the increases every time but perhaps if it gets out of line. **Supervisor Gauerke motioned to approve the increase of the compensation of \$600/month for each commissioner and an additional \$300/month for the President during the system upgrade, which is expected to last 2-3 years seconded by Supervisor Ulander. Vote taken: 4-0 (Chair abstained). Motion carried.**
- b) Discussion & possible action re: Implementing Special Events Procedures and Permit- Supervisor Ulander mentioned that what he submitted is just a starting point. Chair trying to encompass policing, parking etc. into the special events procedures. Chair suggested setting up a workshop or a committee and have something ready for the March Town Board meeting. Officer Schweitzer suggested having a representative present from police, fire and DPW at this workshop. Lt. Jeschke asked if this would be ready for their first event, St. Thomas Wild Game Dinner. Chair asked if it was necessary to have outside police officers present or could it just be the Village patrol officer on duty that stops by. Lt. Jeschke noted that St. Thomas has requested this the past couple of years because the amount of people, alcohol, money. Chair indicated that she her issue was using tax payer dollars for policing for private events. Lt. Jeschke indicated that the Church does fund to a certain level. Supervisor Szeklinski indicated that this is a Village Event and should not be funded by the Town taxpayers. Officer Schweitzer suggested having something temporarily in place in case more events that come up before this is figured out. Gauerke suggested involving the Village President as a lot of these events are in the Village. Gauerke also stated that he is concerned about off duty officers working one of the outside events wearing uniforms and using the squads. If there is an injury is workers comp. going to cover it? Gauerke stated that for this event should get approval from the Village for the Village Officer. Lt. Jeschke stated that these venues are used to paying a certain amount and they have to make a profit too. Jeschke stated that with the new contract at the overtime rate it becomes burdensome for all those events, trying to make it equitable for the officers working as well as these venues. Supervisor Ulander noted that is also has to be equitable to the taxpayers. Chair intends to set up a workshop in the next 10 days or so.

9. New Business:

- a) Discussion & possible action re: Request of WSD #1 that a policy be implemented that the Town Board does not have to approve their compensation- Supervisor Gauerke took the gavel as Chair Nicolai recused herself as there is a conflict of interest. **Supervisor Ulander motioned to allow the sanitary district to set their own compensation subject to the Town Board reserving their right to set their compensation at a future date, seconded by Supervisor Gauerke. Vote taken: 4-0 (Chair abstained). Motion carried.**
- b) Town Board Chairperson's Report

Forthcoming Events-

Supervisor Schwartz motioned to adjourn the meeting at 6:40 pm, seconded by Supervisor Szeklinski. Vote taken: 5-0. Motion carried.

Respectfully Submitted,

Tina Mayer, Town Clerk

**SPECIAL TOWN BOARD MEETING
UNAPPROVED/UNOFFICIAL MINUTES FOR FEBRUARY 26, 2024 @ 12:30 PM
WATERFORD TOWN HALL
415 N. MILWAUKEE ST., WATERFORD, WI**

Special Town Board meeting was called to order at 12:30 PM by Chair Nicolai. Present: Supervisors Ulander, Schwartz, Gauerke and Szeklinski. Lts. Nelson and Jeschke and Officers Ferger and Schweitzer, WPPA Rep. Luke Wagner and residents of the Town.

Purpose: To discuss and potentially take action relating implementing policies and procedures for Special Events & policing and parking & MOU to modify section 7.02(b) of the CBA between the Town of Waterford and the Town of Waterford Police Association.

Chair Nicolai read the draft special events ordinance. Applicants will need to apply with the Clerk's office. Board will review. Supervisor Schwartz noted that the review of the departments should be in writing. Atty. Dubis stated that the Town should be an additional insured. Discussion over how many officers/fire might be needed at a Class 1 event. Chair Nicolai noted that this meeting was more of a workshop to get everyone's ideas, thoughts, etc. This will be on the March Town Board meeting.

Discussion & possible action re: MOU addressing how part-time shifts are handed out. Officer Schweitzer noted that the current structure allows for essentially one officer to get all the shifts. Schweitzer noted that this has affected morale. Want to keep the part-timers. The idea is to keep what is current with the exception that part-timers will make out with two shifts and rotate to the bottom of the list, thereby giving all the part-timers a chance to work shifts. All due paying members approved this change. The Lt.'s preferred that it be more than a monthly rotation, prefer quarterly as it would be labor intensive. This would be for all shifts not just special events. Luke Wagner, WPPA, suggested that we try this out for the rest of the year. **Supervisor Schwartz motioned to approve the MOU subject to being changed to quarterly and for a trial period for the rest of the year (2024) and that there be more discussion between the two groups, seconded by Supervisor Gauerke. Vote taken: 5-0. Motion carried.**

2:30 pm- Supervisor Ulander motioned to adjourn at 2:30 PM, seconded by Supervisor Schwartz. Vote taken: 5-0. Motion carried.

Respectfully Submitted,

Tina Mayer, Town Clerk

Hi Teri,

I am sending you this email as a request to be placed on the agenda for the March 12 Town Board meeting. I am respectfully requesting just a couple of minutes to share our Operating Referendum information with attendees and the Town Board.

I was able to present last year, so I am wondering if you would approve this request. I will only be sharing information to the public as a means to support an informed vote on April 2, 2024.

Thank you for your consideration.

Regards,
Kevin

Kevin McCormick

Department of Public Works Policies and Safety Manual

1.0 General Policy

Each employee within the Department of Public Works (DPW) is to observe and comply with the Department of Public Works Safety Manual.

The Employer shall provide all employees in the DPW the following items of equipment:

- Safety glasses
- Ear plugs
- Head Protection
- Hi-Vis safety vests ?
- Hi-Vis safety pants ?
- Safety chaps ?

Effective January 1, 2024, each year, the Employer shall reimburse each full-time Department of Public Works employee, who has completed the 6-month probationary period, four hundred dollars (\$400.00) for clothing/uniform allowance.

Documentation for reimbursement shall be submitted, to the Director of the DPW, 2 weeks prior to the 2nd Monday in June and/or 2 weeks prior to the 2nd Monday in December.

Documentation shall be a completed expense reimbursement form, along with the receipt(s) or purchase agreement(s) that clearly describe the nature of the clothing being purchased. The DPW Director shall code and submit to the Town Treasurer with the department's payables. Purchases shall be made and reimbursed within the same calendar year.

If at any time while in the performance of his/her duties an employee damages any part of his/her clothing, to the point of not being wearable, then, subject to the prior approval of the DPW Board Liaison, the Employer will pay the total cost of such replacement or repair. Disputes will be resolved using the grievance procedure.

1.1 Department Employees

The Safety Manual specifies safety policies for department personnel in the sections listed below:

- | | |
|--|---------------|
| 1. Foot Protection: | Directive 2.1 |
| 2. Eye Protection: | Directive 2.2 |
| 3. Protective Headgear, Hard Hats: | Directive 2.3 |
| 4. High Visibility Apparel: | Directive 2.4 |
| 5. Fall Protection: | Directive 2.5 |
| 6. Hearing Protection: | Directive 2.6 |
| 7. Cutting Operations: | Directive 2.7 |
| 8. Chipping Operations: | Directive 2.8 |
| 9. Stick-saw Operations: | Directive 2.9 |
| 10. Tree or Limbs Down Policy: | Directive 3.0 |
| 11. Emergency Call-In Policy/Procedures: | Directive 3.1 |
| 12. Snow Plowing Season: | Directive 3.2 |

2.0 Town Department of Public Works Employees

When Town personnel are performing any highway, roadway, roadside or park maintenance activities for the department, use the following as guidelines. **Although guidelines are provided, the employee has the responsibility to be aware of what safety equipment is needed for each situation and to use that equipment properly.**

2.1 Foot Protection

- a. Employees must wear safety toe boots when faced with possible foot or leg injuries from falling or rolling objects or from crushing or penetrating materials. Supervisors are included in this requirement, and must enforce this policy.
- b. The following are examples of situations where employees, supervisors, and visitors must wear foot protection:
 - On all construction projects;
 - Maintenance Personnel: on field assignments;
 - All mechanics and mechanics helpers: at all times;
 - Building and grounds maintenance personnel: when operating or repairing equipment, moving furniture, or mowing.

The following are examples of situations where employee should wear foot protection and/or leg protection:

- When heavy objects such as barrels or tools might roll onto or fall on the employee's feet;
- Working with sharp objects such as nails or spikes that could pierce the soles or uppers of ordinary shoes;
- Exposure to molten metal that might splash on feet or legs;
- Working on or around hot, wet or slippery surfaces; and
- Working when electrical hazards are present.

2.2 Eye Protection

- a. Employees and supervisors must wear eye protection when in work areas where eye injuries can occur. Supervisors must insist employees wear appropriate eye and face protection if they are exposed to eye or face hazards from flying particles, molten metal, liquid chemicals, acids or caustic liquids, chemical gases or vapors, potentially infected material or potentially harmful light radiation.
- b. The following are examples of situations where employees, supervisors, and visitors must wear eye protection:
 - When repairing, removing or installing any electrical or communications equipment;
 - When exposed to splashing chemicals or dangerous radiant energy.
- c. Supervisors shall define specific areas and duties requiring the use of protective eyewear and full-face protection, and post these areas and duties when practical.
- d. Wear safety goggles over other eyewear when:
 - Work locations require the use of protective eyewear
 - Signs posted in the area announce protective eyewear is required
 - An employee is awaiting delivery of prescription safety glasses and requires eye protection.

Example of potential eye or face injuries include:

- Dust, dirt, metal or wood chips entering the eye from activities such as chipping, grinding, sawing, hammering, the use of power tools or even wind forces;
- Chemical splashes from corrosive substances, hot liquid, solvents or other hazardous solutions;

- Objects swinging into the eye or face, such as tree limbs, chains, tools, or ropes;
- Radiant energy from welding, harmful rays from the use of laser or other radiant light (as well as heat, glare, sparks, splash and flying particles).

2.3 Head Protection – Hard Hats

- All employees and supervisors must wear head protection when in work areas where head injuries from falling or flying objects or electrical shocks or burns can occur. Supervisors shall insist head protection be worn at all appropriate times.
- The following are examples of situations where employees, supervisors, and visitors must wear head protection:
 - On field assignment;
 - During bridge inspection or repair;
 - While operating or working around machinery such as forklifts, augers, cranes and other large pieces of equipment;
 - During brushing and clearing operations.
 - Any overhead operations.
- Furnish visitors with head protection when entering the above work sites.
- Head protection is not necessary while riding in an enclosed vehicle.

2.4 High Visibility Safety Apparel

- Employees working on highways, roads, streets or their easements are encouraged to wear an approved safety vest. The High Visibility Safety Apparel shall meet or exceed ANSI/ISEA 107-2004 Class 2 or Class 3.
- A minimum of ANSI Class 2 safety vests and pants are required to be worn by employees during the hours of darkness (*½ hour before sunset & ½ hour after sunrise* or during low visibility).
- Supervisors must ensure high visibility safety apparel is worn at all times as required and training requirements are met.

2.5 Fall Protection

Falls are among the most common causes of serious work-related injuries and deaths. Employee who are exposed to fall hazards such as overhead platforms, elevated work stations or holes must wear approved personal fall arrest equipment and be properly trained on them.

- Employees must be protected from falling by the use of guardrail systems, safety net systems, or personal fall arrest systems when on a walking/working surface (horizontal and vertical surface) with an unprotected side or edge, which is 6 feet or more above a lower level.
- Employees must wear fall protection (Full-Body Safety Harness & Lanyard) at all times when employees are exposed to fall hazards greater than six (6) feet.
- Employees and supervisors must wear approved personal fall arrest equipment and be properly trained on them when exposed to fall hazards.
- Supervisors must ensure fall protection is worn and used at all times in areas where there are hazards that could cause injury due to a fall and training requirements are met and documented.

2.6 Hearing Protection

Noise, or unwanted sound, is one of the most pervasive occupational health problems. It is a by-product

of many construction or industrial processes. Exposure to high levels of noise causes hearing loss and may cause other harmful health effects as well. The extent of damage depends primarily on the intensity of the noise and the duration of the exposure. Refer to table below for guidance on the minimum of when ear protection is mandatory for all employees. If questions arise as to what the decibel (dBA) level is, a decibel reader is available in the Waterford Police Department.

DURATION per DAY (hr)	SOUND LEVEL (dBA)
8	90
6	92
4	95
3	97
2	100
1-1.5	102
1	105
.25 or less	115 or more

2.7 Cutting Operations

There is to be no one-person chainsaw operations. If only one Public Works employee is present, no chain-saw operations are allowed. The minimum personal protective equipment to be worn is:

- Eye Protection
- Ear Protection
- Head Protection

An exception may be made to this policy. See 3.0 *Tree or Limbs Down Procedure*.

2.8 Chipping Operations

There is to be a minimum of two employees for all chipping operations. The minimum personal protective equipment to be worn is:

- Eye Protection
- Ear Protection
- Head Protection

2.9 Stick-saw Operations

Stick-saw operations may be done with one employee, but the minimum personal protective equipment to be worn is:

- Eye Protection
- Ear Protection
- Head Protection

3.0 Tree or Limbs Down Policy

In the event any employee is called to respond to a tree or limbs down, there is to be no one-person chainsaw operations. If only one Public Works employee is on scene, no chain-saw operations will be allowed. The policy is to push or move the tree or limbs out of the way. Clean-up may resume during normal hours. An exception may be made to this policy if Police or Fire personnel are on scene, able to observe and remain on scene the entire time the employee is using the chainsaw. The minimum personal protective equipment to be worn is:

- Eye Protection
- Ear Protection
- Head Protection
- A minimum of ANSI Class 2 safety vests and pants during the hours of darkness, as outlined in Safety Directive 2.4 (b)

3.1 Emergency, Non-Snowplowing Season, Call-In Procedures

All Summer call-ins are subject to overtime as outlined in the Employee Handbook.

Weekdays

- Employee has the duty to inform DPW Director if he/she is unavailable that evening.
- Director is tasked with the duty to fill needed position(s).

Weekends

- Employee has the duty to inform the DPW Director about availability for the weekend.
- Director has duty to inform employees his availability for the weekend.
- If Director will be unavailable, he is tasked with putting an available full-time employee in charge by Friday morning.
- A DPW cell phone will be furnished to the person in charge for emergency DPW calls.

Vacations

- Employee has the duty to inform the DPW Director of any and all vacations at least 2 weeks prior.
- Employee has the duty to inform the DPW Director if they will be available for call-in during said vacation time.
- If employee indicates they will not be available for call-in during said vacation, it will be assumed they are off until the vacation is completed and that period ends at the start of the first work day thereafter.

3.2 Snowplowing Season

All snowplowing events are subject to overtime as outlined in the Employee Handbook.

Availability

- The Snowplowing Season is defined as being from the second Monday of November to the last day in March.
- A basic job requirement of all full-time Public Works Employees during the Snowplowing Season is, and has always been to be available when snow events occur. This is a reasonable requirement implemented by many other Wisconsin Towns, especially since weather events are usually predicted by warnings hours or days ahead of time.
- Being available means an employee can report to work preferably within an hour
- of being called.
- The minimum staffing requirements may be changed by the Public Works Director in the event circumstances do not require all Public Works personnel.

Vacations

The Town of Waterford will allow vacation time to be used during these months ONLY if the following requirements are met:

- Only 1 employee off at a time
- Director is given at least two (2) weeks notice of planned vacation.
- Position is backfilled by a part-time, temporary employee from the roster.
- If it is the Director who will be unavailable, he is to put someone in charge one (1) week before his departure.
- Employee left in charge is to carry the DPW cell phone for emergency DPW calls

Extraordinary Circumstances

In the event extraordinary circumstances are to arise, such as, but not necessarily limited to, illness of a Public Works employee or a death in the immediate family of the employee or spouse, the Public Works Director may waive the minimum staffing requirements.

Not Reporting for a Snow Event or Reporting Under the Influence

If an employee is not approved to be unavailable and does not report to work or reports to work unable to safely perform his/her duties because he/she is under the influence, disciplinary action, as outlined in the Employee Handbook, may be taken.

ORDER ACCEPTANCE AGREEMENT

Town Of Waterford

- Due to ongoing volatility in commodity prices and logistics costs, Reinders is unable to guarantee pricing, lease rates or lease payments.
- Changes in prices will be presented to you prior to delivery and you have the right to opt out of this purchase at any time prior to set-up, with no additional charges or penalties for cancelation.
- Reinders may require a signed UCC Form prior to delivery.
- 1% service fee will be added to all credit card transactions.
- Financed products are a transaction between the lessee and your lease company. Reinders cannot ship any product until approved for shipment by the Lessor.
- Due to product availability, separate finance documents and schedules will be enforced when leasing multiple traction units.
- All applicable federal, state, and local taxes levied on the transaction as described in this quotation is the purchaser's responsibility. No tax exemptions will be recognized unless a valid tax exemption certificate is provided or is on file.
- Requested changes in regards to the quantities, specifications, schedule, financing, or other aspects of the services described in this quotation are not binding unless accepted by Reinders in writing and may accrue additional charges.

✓ Please sign below. This confirms that you are giving Reinders permission to order the products on the quote I.D. listed below and that you agree to the terms of the order acceptance.
