Work area shall be determined by the Building Inspector. Additional fees in this table may also apply.

The recommended approval of amendments, code changes, products, systems or quality control agencies by the Code Committees and the Wisconsin Uniform Code Associations does not constitute an approval or acceptance by any local community. Such acceptance is a function of local government administered by the designated local officials without the necessity of submitting further data because it is supported by factual reports describing the nature and use of the product or system and its performance under designated standard tests by recognized testing agencies.
